At the meeting of the city principals held last Wednesday afternoon matters pertaining to the mid-year promotion of pupils to the High school were discussed. Principal Eaton of the High school was present and stated that that institution would be able to accommodate about 160 more pupils. A request will be presented to the board of education that the time for this promotion be extended one week, making the present half-year close on the sist, instead of the 24th inst. Many other matters involving the care of the schools were discussed.

On Thursday last Mrs. Elliott met the teachers of the fifth grade and outlined the work in drawing for the ensuing month. Some special study of ceramics and the symbolic side of pottery is to be done, and in connection with this work the firm of Calloway, Hoock & Francishas offered a prize to the room doing the best along this line.

The students and friends of the High school will be pleased to learn that it has recently been placed on the accredited list of the University of Wisconsin. Some weeks ago Professor Reinsch of this university inspected the school, visiting a number of the recitations. His report, which was a very favorable one, was embodled in a letter received by Mr. Eaton a few days ago from the secretary of the committee on accredited schools. This letter states that Professor Reinsch considered the teaching, discipline and enthusiasm in class work very good, and that in consequence of his report the committee is glad to place the Salt Lake High school upon the accredited list of the University of Wisconsin. Considering that Wisconsin stands as one of the foremost universities in this country, this report is very creditable to the High school.
